20 PCT. DROP IN RELIEF LOAD HERE SINCE '43

The number of persons receiving assistance in Adams County is roughly 20 per cent below the volume being carried 10 years ago and is about 8 per cent lower than the same date last year but the decrease has leveled off in the last few months, the members of the Adams County Board of Assistance found in a review of figures Wednesday evening at their monthly meeting.

At the beginning of September, 1943, there were 1,024 persons in the county receiving various types of assistance. The total now is 803. A month ago the total was 792 with all of the increase occurring in the field of general assistance. One year ago the number was 872.

The board discussed the causes for the 10-year drop and came to the conclusion the change was the result of a combination of causes. They felt that more relations may be seen the reason for supporting indigent kin or may have better jobs and be better able to help now. The change in the employment situation was listed as a contributing factor and the increase in social security payments and the skills of the assistance staff were listed as other contributing causes with their effects being hard to measure.

Breakdown Of Totals

The total a year ago was made up of these figures: 310 old age assistance, 109 blind pension, 136 aid to dependent children, 76 general assistance and 41 aid to disabled. One month ago the figure read: 299 old age assistance, 104 blind pension, 279 aid to dependent children, 60 general assistance and 50 aid to disabled. The current totals are the same in all categories excepting old age assistance which is now 297 and general assistance which is now 73.

Chairman A. W. Geisley presided at the meeting with these directors in attendance: Mrs. William Conover, S. E. Kriehorn, L. V. Stock and E. M. Gruver with Mrs. Verna Myers, executive director, in attendance. The board will meet next on October 28.

SYNOD MEETING NEXT TUESDAY

Reformed churches in this county will send representatives to the 15th annual fall conference of the Mercersburg Synod of the Evangelical and Reformed Church to be held next Tuesday morning and afternoon in Trinity Church, Hanover.

The Rev. James W. Moyer, Mercersburg, synod president, will preside at the sessions which will open with registration at 9 a.m. The Rev. Paul Nagy Jr., Waynesboro, will conduct the devotions.

Morning speakers will include Dr. John Lentz, member of the General Council of the Board of International Missions; Mrs. E. Roy Corman, president of the National Women's Guild, and Daniel J. Snyder Jr., member of the Commission on World Service.

During the lunch hour the Rev. Arthur Leeming, superintendent of the Hoffman Orphanage, will present the cause of his institution and at 1:45 o'clock Dr. Roy W. Limbert, chairman of the Kingdom Service Committee, will speak. There will be a demonstration of a typical Kingdom Roll Call visit and a general conference at 2:30 o'clock followed by a commitment service led by Dr. Lentz.

Takes Appeal From Justice's Finding

An appeal for the findings of Justice of the Peace Gerald Orndorff, Oxford Twp., has been filed with the county prothonotary in the civil suit brought by Kohl Brothers, Harrisburg, against C. I. Trimmer, York Springs R. 2.

According to the justice's docket accompanying the appeal, Kohl Brothers sued Mr. Trimmer for \$183.25 it claims was owed the company for drilling a 42-foot well. Trimmer was not present at the scheduled hearing, according to the justice's docket, and judgment was entered at that time in favor of Kohl Brothers. Later Trimmer appeared and appealed the judgment and the matter was forwarded to the county court.

Girl Cyclist Hurt When Hit By Auto

A 10-year-old girl received a bruised left hip and brushburns about the right arm in the collision of her bicycle and an automobile near the intersection of Main and Second Sts., McSherrystown, Wednesday at 4:45 p.m.

The child, Rose Ann Felix, daughter of Mr. and Mrs. Claude Felix, McSherrystown, was moved to Hanover Hospital in the Hanover ambulance for examination. Later she was taken to her home by Chief of Police Manard Maseher.

Chief Maseher said the car was operated by John A. Fions, 28, of Hanover R. 2.

PLAN RECEPTION FOR MINISTER

The five congregations of the East Berlin Evangelical and Reformed Pastoral Charge, Rev. Alton M. Leister, pastor, will meet in a joint worship service on Sunday evening at 7:30 o'clock in St. Paul (Red Run) Church, near East Berlin, for the annual service of reception for a new assistant to the minister.

Edgar W. Shelly Jr., Bethlehem, a minister at the Lancaster Seminary, will be received as the new assistant. Mr. Shelly began his work among the churches of the charge on September and has established his residence over week ends at the parsonage in East Berlin. Upon his graduation from the Seminary, he plans to serve as an agricultural missionary to India.

The Sunday evening service will be conducted by the Rev. Mr. Leister and the Rev. Dr. Howard Shelly, of Trinity Church, Hanover and vice president of the Mercersburg Synod of the Evangelical and Reformed Church. Rev. Mr. Leister will preach the sermon. Mrs. Frances Smith, church organist, and the St. Paul choir will assist in the worship service. The congregations of the charge are Emmanuel Church at Hampton, Mt. Olivet Church near Bermudian, St. John Church at New Chester, Zwingli Church in East Berlin and St. Paul Church.

Gives Presbytery Report On Campaign

The Rev. Clyde R. Brown, local Presbyterian pastor, attended the fall meeting of Carlisle Presbytery Tuesday in the Dickinson Presbyterian Church in Cumberland County and presented a report as treasurer of the campaign funds in this Presbytery for improvements at Camp Michaux.

He said changes in the swimming pool and other projected improvements are expected to cost \$40,000 with the Presbyterians and the Evangelical and Reformed Churches sharing the cost equally. He said the Presbyterian drive originally aimed at \$15,000 now has brought in \$13,339 with final reports not yet in from all of the churches. The local Presbyterian church raised \$650 for the camp fund.

John K. Lott, a member of the Session of the local church, accompanied Rev. Mr. Brown to the Presbytery meeting.

THREE SPECIAL SERVICES AT TRINITY SUNDAY

The annual Festival of the Harvest will be celebrated at Trinity Evangelical Reformed church on Sunday with three special services. The church will be decorated by the Altar Guild with the vegetables, fruits and flowers of the ingathering which will be presented and consecrated as an act of thanksgiving for the harvest of this year. Mrs. Charles Ogden is in charge of the special committee.

At 9:30 a.m. the Church School will observe its harvest celebration in a special manner. Each member has been requested to bring something for the offering which will be presented during a harvest ceremony conducted by the Superintendent Harry D. Ridinger. The classes of the Church School will be advanced in the annual promotion exercises.

The Festival Service will be held at 10:35 a.m. and will be featured by the anthem "Thanks Be to God" rendered by the three church choirs. The Junior choir will sing at the Gradual "A Song of Praise and Thanks" by Bixby. The harvest offerings given during the day will be given to Hoffman Orphanage and Thornwald, the new home for the old folks of Mercersburg Synod located at Carlisle which was opened on September 1.

Vespers will be resumed for the fall season at 7 p.m. This service will be held in the Parish Hall and will be given over to the showing of pictures taken during the vacation season. William R. Swisher Sr. will show his pictures taken during his visit in Mexico. William R. Swisher Jr. will tell of the Boy Scout Jamboree which he attended in California illustrating it with his pictures and Henry Fox will present the pictures he took during his trip through the Southern states. The public is invited to any or all of these services.

First Frost This Morning; Drops To 36

The weatherman left little doubt today that fall is here with the mercury tumbling to 36 degrees. A check of weather records showed that this is only the second time in 30 years that the temperature has fallen that low as early as the 24th of September.

The low reading brought with it the first general frost of the season.

This morning's low made it the coldest day here since April 22 when the low was 29 degrees. Today's record made it the coldest September 24 here since 1947 and was considerably below any reading taken here in September of last year. Frost last fall did not arrive until October 4 when the mercury dropped to the freezing mark. Last September was frost-free and had no readings lower than 41 degrees.

FILES FOR DIVORCE

23 Yank POWs Sing Commy "Internationale" In Korea

PANMUNJOM (AP)—The Communists today surrendered to prisoners' custody of 23 American, 1 Briton and 335 South Koreans—whom the Reds say asked to remain behind the Iron Curtain.

The Americans rode in open Russian-built trucks loudly singing the Communist "Internationale." "Arise, ye prisoners of starvation, arise ye starvelings of want," chanted the tanned, healthy looking men.

The South Korean prisoners screamed "American imperialists, get out!" at U. S. newsmen who watched the transfer of prisoners to custody of Indian troops in the demilitarized zone near here.

Communist Correspondent Wilfred Burchett told Allied newsmen the names of the Americans and the Briton, but U. S. Army censors would not pass the list. The censors said names would be cleared only if prisoners change their minds and decide to go home.

The Americans looked happy and contented. The Communists quoted them as saying they love their country and some day will return when the American people have achieved "freedom."

Mrs. H. Singley, 90, Dies On Wednesday

Mrs. Hester (Hettie) Singley, 90, Fairfield R. 1, died at the Wolford Bible Convalescent Home, Fountaintown, Wednesday morning at 9 o'clock. The deceased would have celebrated her 91st birthday in three weeks. She is the widow of Harry Singley and a daughter of the late William and Mary Shultz Plank.

Survivors include two sons, Harry, Queen Village, N. Y., and Grover, St. Paul, Minn.; two grandchildren, and a sister, Mrs. Jennie McDonald, Washington, D. C. She was a member of the Zion Lutheran Church, Fairfield.

Funeral services will be held from the Allison Funeral Home, Fairfield, Saturday afternoon at 1:30 o'clock with the Rev. Dr. Norman S. Wolf officiating. Interment will be in the Fairfield Union Cemetery. Friends may call at the funeral home Friday evening after 7 o'clock.

MANY EVENTS PLANNED FOR DEANERY UNIT

Mrs. Bernard Wert, Harrisburg, president of the Harrisburg Diocesan Council of Catholic Women, will be the guest speaker at the quarterly meeting of the Conewago Deanery Council of Women, according to plans made at a meeting of the deanery executive board Tuesday evening at the cottage of Mrs. George A. Miller, Marsh Creek Heights. The deanery meeting will be held Sunday, October 25, at Chambersburg with Corpus Christi parish council as the hostess group. The Rev. Fr. T. S. Johnson is pastor of the Chambersburg Catholic Church.

Other business on the agenda included the annual Day of Recollection, which cannot be held at St. Joseph's Academy, McSherrystown, this year. Mrs. Miller said she will make inquiries in an effort to obtain another place for the annual devotion, and it will be decided at a brief board meeting preceding the open meeting in Chambersburg whether or not there will be a Day of Recollection this year. A deanery youth party was also discussed and present tentative plans are to hold the next party during the Christmas holidays at Delone Catholic High School, McSherrystown. The date and other details will be announced at the Chambersburg meeting.

Board members were informed that the motion picture film "Works of Peace" is now available through (Continued on Page 2)

TWO CHILDREN DIE IN BLAZE

CARLISLE, Pa. (AP)—Two small children burned to death in a fire which destroyed a 20-family housing unit near here yesterday.

Coroner E. A. Heagle identified the dead as Leonis Jones Jr., 3, and his 15-month-old sister, Rosemary, children of migrant workers.

Heagle said they were alone in a room while their parents Mr. and Mrs. Leonis Jones Sr., Winter Garden Fla., worked in a Carlisle cannery plant.

The father was treated for cuts on the right leg when he tried to enter the room after being called home from work.

Ethel Pearl, 12, a cousin of the children, said electric power was irregular during the day. The coroner said it appeared that the fire was caused by faulty wiring.

The development, housing migrant workers during cannery periods, is located five miles south of here.

Backstage Meeting

Vice President Richard Nixon, left, and Martin P. Durkin, recently resigned Secretary of Labor, meet for a moment backstage, Sept. 23, at the American Federation of Labor convention in St. Louis. Nixon was there to present President Eisenhower's message to the convention, Durkin, president of the Plumbers and Pipefitters, was a delegate.

Boy Cyclist Unhurt In Hit-Run Mishap

Larry Seymour, 11-year-old son of Mr. and Mrs. Clarence Seymour, Arendtsville, escaped injury Wednesday afternoon at 4:55 o'clock when his bicycle was struck by an auto in Arendtsville.

The youngster told state police he was driving on the sidewalk at the intersection of W. Main St. with N. High St. when a green and tan sedan cut the corner sharply, drove across the sidewalk and struck the bicycle. The front wheel of the bicycle was bent by the impact. The youngster told police an elderly couple was in the car at the time and that it continued north on High St. without stopping after the accident.

DEATHS

Mrs. Ralph F. Johnson
Mrs. Elizabeth A. Johnson, widow of Ralph F. Johnson, who lived at 302 Baltimore St. while in Gettysburg and who also maintained a residence at Wilmington, N. C., died this morning at 10:45 o'clock in the Warner Hospital. She had been a patient there since September 11.

The deceased was a native of Gettysburg and was a daughter of the late Samuel G. and Matilda (Martin) Cook.

Survivors include four children: Edward, Charles and Ralph, all of Wilmington, N. C., and Mrs. Richard Mandl, Los Angeles; and two sisters, Misses Annie and Mary Cook, 302 Baltimore St.

The remains will be sent to Wilmington for services and interment.

HOLD 2 WOMEN FOR TAKING \$222 FROM ELDERLY MAN IN AUTO

Two young lower county sisters-in-law are in the Adams County jail awaiting a hearing at 2:30 o'clock this afternoon on a charge of robbing an 88-year-old Abbotstown man of \$222.

Mrs. Madeline Stevens Cole, 29, New Oxford R. 1, and Mrs. Viola Virginia (Cole) Darrell, 25, are charged by state police with both robbery and robbery with accomplice in the case.

All charges are before Justice of the Peace John H. Basehore.

They were arrested Wednesday afternoon by police following investigation of a complaint by William Laughman, 88, Abbotstown, that they took \$222 from him while driving him from Hanover to his home in Abbotstown on the afternoon of September 10.

Met In Bar Room

Laughman told police he met the two women in a drinking establishment in Hanover during the late afternoon and they offered to drive him to his home in Abbotstown.

When they arrived there after taking a circuitous trip through the Cross Keys section, Laughman told police, he discovered as he got out of his car, that his wallet containing the money had disappeared. Before he could question the sisters-in-law they drove off, he added.

Sisters Disagree

At the jail Wednesday night Mrs. Cole admitted to police that \$174 was taken from Mr. Laughman. She alleged that Mrs. Darrell took the wallet from Mr. Laughman and threw it to her and that there was a division later of the amount.

Mrs. Darrell claimed she not only did not take the wallet from Mr. Laughman and throw it to Mrs. Cole, but said she knew nothing whatsoever about the taking of the wallet until later when her sister-in-law told her of the action. She added that she had received none of the money.

REHABILITATE AREA WORKERS

Tax funds previously earmarked for public assistance in the local area will be put to different use in the future since the State Bureau of Rehabilitation prepared and placed into gainful employment 610 disabled persons during the past year, all of whom had been on relief rolls, it was disclosed today.

Of the 610 persons, 54 were from the Bureau's Harrisburg District according to Roy E. Zinn, 41, Hanover St., manager of the office. The number was broken down into the following counties which comprise the Harrisburg District of the Bureau of Rehabilitation:

Adams 1, Cumberland 4, Franklin 7, Dauphin 15, Juniata 4, Lancaster 6, Mifflin 11, Perry 3, York, 3.

"No doubt considerable additional funds could have been saved in relief costs over a longer period of time because persons just rehabilitated and removed from the assistance rolls averaged 41 years of age," Zinn said. "This indicates, and figures show, that many of these persons were on assistance rolls for many years before they received vocational rehabilitation and were made available and eligible for gainful employment. Furthermore, the average age of the group was 28 years when the permanent disablement occurred."

These 610 persons had a total of 1,465 dependents which in turn helped to keep the relief cost high. 218 had no dependents, 77 had one, 50 had two, 53 had three, 67 had four, 44 had five, 29 had six, 31 had seven, and 41 had eight or more.

While on relief these 610 persons received an average weekly grant of \$17.61. After their rehabilitation and placement in gainful employment, the group had an average income of \$42.50 a week with 30 of the persons earning between \$70 and \$97.

RELEASED FROM JAIL

Charles W. Bucher, Gettysburg R. 1, was released from the county jail Sunday night after spending a two-days sentence there on a motor code violation charge brought before Justice of the Peace Robert P. Snyder by state police. He was committed to jail after a hearing Saturday evening.

HAYWORTH AND HAYMES TO WED 4TH TIME TODAY

By JAMES BACON

LAS VEGAS, Nev. (AP)—While nearby craps shooters tried to make sevens and elevens, Rita Hayworth and Dick Haymes today gambled once more with matrimony.

The 34-year-old actress and her crooner, 35, will recite vows each has said three times before, in a simple ceremony in the Gold Room of the Sands Hotel.

District Judge Frank MacNamee will officiate at the five-minute ceremony. Jack Entratter, general manager of the Sands, will be the only attendant. Photographers and reporters will outnumber the invited guests three to one.

Two Daughters There The unpretentious affair will be quite a contrast to the screen star's lavish French wedding to Prince Aly Khan in 1949. Miss Hayworth will not even have a new wedding gown. She said she would wear a blue linen straight dress which she has worn before. Her head will be covered by a toast-colored hat of tulle and velvet. She will wear gloves to match the hat.

Only guests invited are business and legal associates of the couple. The only relatives on hand will be the bride's two daughters. They are Rebecca, 8, the offspring of Miss Hayworth's marriage to Orson Welles, and the Princess Yasmine, 3½, like her Moslem father a direct descendant of the prophet Mohammed.

Final barrier to the wedding was cleared yesterday when Haymes copped a seven-minute divorce decree from Nora Eddington Flynn Haymes. Less than an hour later, he brought Rita back to the court-house, where both nervously filled out the marriage license forms.

Both Haymes and Rita claimed permanent residence in Nevada, but said they will soon move near Greenwich, Conn., where they are looking for a house.

"All my work is in the East," the crooner explained.

Miss Hayworth said she plans to commute between the East Coast and Hollywood for picture making.

GOP WOMEN TO PRESENT PLAY

WASHINGTON (AP)—A group of Pennsylvania Republican women will take part in a special show as part of a party rally at Atlantic City, N. J., Oct. 12.

In announcing plans for the rally, GOP National Headquarters here said the Pennsylvania women's group will present their version of a "Campaign Caravan as a Successful Technique." Mrs. D. Ray Murdoch, Greensburg, Pa., national committeewoman, will serve as moderator.

The National Federation of Republican Women also will present a panel discussion led by Mrs. Carroll D. Kearns, wife of Rep. Kearns, Pennsylvania Republican member of the House.

Twelve Atlantic Coastal states, including Pennsylvania, will be represented at the rally and conference.

Others participating in the program will include Mrs. Vera G. Davis of Dover, Del., majority floor leader of the Delaware House.

Two Vinson Wills Declared Invalid

WASHINGTON (AP)—Two wills left by the late Chief Justice Fred M. Vinson were declared invalid yesterday and his son was appointed administrator of his estate.

The wills—one dated in 1928, the other in 1930—were invalidated because they lacked the signatures of witnesses.

Fred M. Vinson Jr., in petitioning District Court for appointment as estate administrator, said his father left about \$1,160 in personal property here. But he told newsmen the estate also includes small property holdings in Kentucky and West Virginia, a bank account and insurance policies.

Under the court order, Mrs. Vinson will get \$500 immediately and a share in the estate with her sons Fred and James.

At a recent meeting of the members of the Biglerville Hose and Truck Co. it was suggested that a respirator machine be purchased for emergencies that may arise. It was pointed out that the need for this particular machine is urgent since many farm owners in this area have ponds on their property.

The Biglerville fire policemen will be on duty during the air raid test to be held throughout Adams County and the state on Tuesday, October 6. The firemen extend their thanks to all who gave donation for the building and equipment fund.

Plans to buy a new fire truck were made at a meeting of the Purchasing Committee of the Bendersville Community Fire Company, Wednesday evening at the Bendersville engine house. Committee members include Robert Orner, chairman; Harry Lerew, Charles Bretzman, L. J. Orner and Chester Ogden.

The Kitchennettes met Tuesday evening in the Biglerville community hall with Mrs. Anna Osborn, president, presiding during a business session. Miss Linda Kooker, Gettysburg R. D., was enrolled as a new member. After the meeting, Mrs. Marion Coulson displayed cosmetics, dresses and lingerie. The proceeds of the party will be donated to the park and playground fund. Mrs. Mary Guise won the door prize and Mrs. Anna Osborn was awarded a gift for bringing the largest number of guests. Barbara Lawver, Mildred Cleaver, Marie Schachle, Viola Steinberger and Josephine Seaman will be in charge of the October meeting.

The Wenksville youth group met Wednesday evening at the Lutheran Church, Wenksville, for an evening of fun. The program included a scavenger hunt, a wiener roast at The Narrows and games at the church. Rev. William Hollingsworth and Morris Black accompanied the group on the hunt.

The Bendersville Community Fire Company answered an alarm Wednesday afternoon at 3:30 o'clock to extinguish a grass fire at the Edgewood farm, Asspers R. 1. The owner of the farm is M. E. Knoke. Mr. and Mrs. Sterling Barbour are the residents.

Mrs. William Wentzel and sister, Mrs. Fred Arnold, and daughters, Kay, Beth and Fran, Gettysburg, visited in York Tuesday.

Albert Ebbert, Litzitz; Daniel Ebbert, Harrisburg, and Mr. and Mrs. John Becker, Camp Hill, visited this week with their parents, Mr. and Mrs. A. E. Ebbert, Biglerville R. 1.

The Arendtsville Brownies and all girls who will be seven years old before January 1 are asked to meet in the basement of the Arendtsville Bank Monday after school. Leaders will be Mrs. Robert Schiebel and Mrs. Raymond Hale.

Mr. and Mrs. Edwin Eckert and children, Carl and Duane, and Mr. and Mrs. John Eckert and daughter, Nancy, all of Guernsey, were recent guests of Mr. and Mrs. Curvin Kline and Mr. and Mrs. Nile Kline and families, Shippensburg.

The names of Mr. and Mrs. Ralph Heckenluber were omitted from the list of guests who attended the dinner in honor of Mr. and Mrs. P. S. Orner's 55th wedding anniversary held Tuesday evening at the home of their son and daughter-in-law, Mr. and Mrs. Arnold Orner, Arendtsville.

Miss Connie Stallsmith and her grandparents, Mr. and Mrs. John Stallsmith, Biglerville, visited in Baltimore Tuesday where Connie was given an audition for the "Candy Corner" television show. Mr. and Mrs. Stallsmith and three grandchildren, Connie, Kandy and Greg, were recent guests of Mr. and Mrs. Joseph Wingardner and family, Frederick.

Mr. and Mrs. Ward Taylor and Mr. and Mrs. William Baumgardner, all of Bendersville, recently spent a few days in Mount Vernon with the former's son-in-law and daughter, Mr. and Mrs. Jerry Foreman.

First Lt. Owen Coble has returned to his home in Bendersville after receiving his discharge from the service at Fort Myer, Va. Wednesday. Lt. Coble has served two years with the armed forces.

Mr. and Mrs. Walter B. Palmer have returned to their home in Denton, Md., after visiting Mr. and Mrs. John White, Arendtsville.

SAN FRANCISCO (AP)—A pair of 18th century French candelabra, valued at \$200, disappeared from the De Young Museum in Golden Gate Park. Police suspected teen-agers, but admitted ruefully they were very discriminating burglars.

DULLES CALLS FOR CLOSE AFL PARTNERSHIP TO KILL RED MYTH

ST. LOUIS (AP)—Secretary of State Dulles called today for a "closer partnership" between the government and the American Federation of Labor in a worldwide campaign to "explore the Communist myth" of a workers paradise behind the Iron Curtain. He said the Reds had used this myth effectively to extend Soviet power.

In a speech prepared for the American Federation of Labor convention here, Dulles pictured Soviet communism as being actually an exploitation of the worker. "No task is more important for us than that of exploding the Communist myth," he said.

Exploded Red Myth He told the AFL gathering that "you have done more than any other single body to explode the Communist myth," and added: "In this matter there should be closer partnership between us."

Dulles also declared on specific foreign policy issues:

1. Russia has met American appeals for armament control—now more urgently needed to meet the hydrogen bomb threat—with repetition of "their old refrain" but the United States will persist in its "quest for peace."

2. Atomic and hydrogen weapons may have given Communist rulers the possibility of setting off destructive forces which could threaten "the survival of civilization as we know it." Mankind, Dulles added, faces "an ultimate peril" never known before.

3. The Chinese Communists "seem to be pursuing tactics of delay" in negotiations to bring about a Korean peace conference but the United States and its Allies will do everything possible to bring about a conference and make it successful.

4. Recent French steps to grant full independence to the Indo-Chinese states have made it possible for the United States now to contribute substantially "in money and material to the successful conclusion" of the anti-Communist war in Indochina.

Hails Adenauer Victory 5. The recent overthrow of the Mossadeq government in Iran has created a new opportunity for Iran to tackle pressing internal and foreign problems largely related to its long dispute with Britain over oil nationalization.

6. Chancellor Konrad Adenauer's spectacular victory in West Germany Sept. 6 constituted an endorsement of "the policies" of tying West Germany to the Western World which the United States has pursued jointly with its Allies and with the West German republic.

Dulles added that the American government is "hopefully" awaiting a response from Russia to Western proposal for a Big Four meeting on Germany unification.

LAST GROUP OF POWS ARRIVES

SAN FRANCISCO (AP)—The last large group of repatriated American prisoners of war returned yesterday aboard the transport Gen. R. L. Howze, ending the freedom run from Korea in which nine ships brought 3,071 ex-POWs to their homeland.

Approximately 450 other freed prisoners came home via air, including Medal of Honor winner, Maj. Gen. William F. Dean. Among the 290 returnees aboard the Howze were a dozen or more Air Force officers accused by the Communists of conducting "germ warfare" in Korea.

Forced "Confessions" They included Col. Walker Mahurin, Fort Wayne, Ind., former commander of the 4th Fighter-Interceptor Group and highest-ranking Air Force officer captured by the Reds; Lt. Kenneth Enoch, Youngstown, Ohio; Lt. John Quinn of Pasadena, Calif.; and Lt. George F. Brooks of Summit, Pa.

When freed in Korea, they said they had signed germ warfare "confessions" under relentless Red pressure that continued to within a few hours of their liberation. All declined to discuss that here, saying the Air Force feared possible reprisals against fliers still held by the Communists.

Speech Writer For Eisenhower Resigns

WASHINGTON (AP)—Emmet J. Hughes has resigned as President Eisenhower's chief speech writer and will be succeeded by Brice N. Harlow, who has been an assistant White House liaison man with Congress.

Hughes, 32, gave "compelling personal reasons" for resigning from the \$15,000-a-year administrative assistant's job to return to the staff of Life Magazine. He joined Eisenhower's staff during last year's campaign and was generally credited with being chief author of the speech in which Eisenhower promised to go to Korea if elected.

Littlestown To Seek Help Of Gettysburg Borough Men In Renovating Two Streets

Members of the Littlestown Borough Council met for a three-hour session on Tuesday evening in the office of the borough secretary, Roger J. Keefe, North Queen St. The September meeting was in charge of the president, Roscoe W. Rittase, Secretary Keefe read his report.

The meeting then got under way with a report from the street and highway committee given by Councilman Charles M. Frock. He reported that the resurfacing of Jumber St. has been completed. However, it was felt that too little materials were used and that the street was rather rough; where-

upon Engineer LeRoy H. Winebrenner informed Council that too many stone were used within the first two blocks and when this was discovered he ordered the contractor to cut down on the amount of stone used. It was pointed out that twice as much stone as called for in the specifications had been used. The excess stone were pushed up and the contractor has completed this cleanup of the excess stone. The remainder of the street work was in better condition in regards to the amount of stone used and the stone has been holding better. The roughness now existing will wear smoother with

use. Council learned that two spaces on Lumber St., the one at the property of James Barton and the other at the Walnut St. intersection, were still low, thus allowing water to stand at these points. It was agreed to have the contractor remedy these conditions before full payment on the contract be made.

Seek Crew Of Seven

The highway then brought before Council the suggestion of obtaining the Gettysburg highway crew and Engineer Winebrenner to resurface Crouse Park and Park Ave. Council expressed the opinion that the Gettysburg crew and the borough's workmen, together, could do the work much cheaper than obtaining an outside contractor. It will be necessary to make a request to the Gettysburg Borough Council to take the crew out of their borough. Mr. Winebrenner further informed the councilmen that the hourly wage paid to Gettysburg borough employees is \$1.05 and Littlestown would have

to pay the same wage, plus transportation and their dinners for a crew of seven. It was learned further that Gettysburg's roller would be furnished at an hourly rate of \$4, plus transportation to and from Littlestown. After little discussion, Engineer Winebrenner was authorized to bring the Gettysburg crew to town to resurface Park Ave. and Crouse Park, upon the permission of the Gettysburg Borough Council.

Joseph H. Rife and Leo Ronaldi of Hanover, then appeared before Council relative to the work done on Lumber St. The matter of proper water drainage was mentioned and Mr. Rife informed Council that this would be remedied. Mr. Rife then requested that some of the payment on his work be made and it was decided to pay the sum of \$1,700, withholding the remainder until the work is finally approved.

May Extend Streets

Borough Solicitor Daniel E. Teeter then informed the group of various problems concerning the Littlestown Joint School System and streets surrounding the new elementary school building, namely E. Myrtle St., Park Ave. and Newark St. These streets are being considered for extensions in order that the traffic in and around the building can be better handled when the school is formally opened and in operation. It was arranged for the interested parties and the borough highway committee to meet this afternoon at 1 o'clock, when various problems will be discussed and further plans made for obtaining the land necessary for the extensions.

Burgess Herbert J. Motter notified Council that a new "No Parking" sign is necessary in the alley adjacent to Weikert's Bakery, West King St., and the street commissioner is to be instructed to place the necessary sign. A discussion was held in regards to the parking of motor vehicles along the north side of E. King St. between the post office property and the traffic signal at center square. After debating the situation, the matter was tabled as to changing the "No Parking Here To Corner" sign; however, Chief of Police Melvin H. Swab was instructed to write to the Post Office Department relative to the postal buses double parking for exchanging and transferring mail from one bus to another, and endeavor to have this traffic hazard eliminated.

Water permits were issued to Joseph M. Cookson, 501 E. King St., for service connections for 36 and 40 E. Myrtle St., for miscellaneous household uses for one family.

Must Conserve Water

Plumbers Must Register
Solicitor Daniel Teeter presented pavement washing and car washing has been lifted. Restrictions still remain on the use of water for garden and lawn purposes. Local residents are still requested to conserve water wherever possible as the rains have not helped too much since pumping from deep wells has been necessary. A deep well pump located at the dug well No. 1 at the St. Queen St. pumping station had been formerly installed to pump water from one well into another. A test was made to endeavor whether this pump could be utilized to better advantage by pumping direct into the water mains. The test was a failure, Keefe said. To utilize this additional supply in future emergencies Keefe recommended that a suitable pump be obtained. In a discussion it was decided to purchase another Deeming deep well pump, in addition to the four already in operation, to replace the Cook pump. The Cook deep well pump will be offered for sale.

Ordinance No. 144 amending Ordinance No. 115 in certain respects, which had previously been authorized by Council for drafting. The ordinance prescribes yearly registration of resident and non-resident plumbers, along with fees and penalties. The registration fee for all persons, firms and corporations desiring to do plumbing intended to be connected to the sanitary sewer system of the borough will be \$10 for all who are legal residents of Littlestown or who have an established place of business within the borough; for all others the sum is \$25 yearly. Those failing to register and pay the required fee will be punished as prescribed in the ordinance.

Building permits were granted the following: Howard O. Myers, Maple Ave., to construct a one-story cement block car port and to depress curb for entrance. Gomer Brothers, Hanover R. 2, to cover dwelling with asbestos siding for Elmer F. Stone-sifer, 322 S. Queen St.; Lloyd Shuey, 59 Crouse Park, to remove trees in front of property; B. Estella Saylor, 62 Crouse Park, to paint and repair porch at two-story frame dwelling; Carl H. Baumgardner, 402 S. Queen St., to excavate and construct a two-story cement block cooling room adjacent to two-story frame building in rear of residence; Sylvester H. Krumrine, 420 S. Queen St., to paint and repair two-story frame dwelling; Roscoe W. Rittase, 523 Prince St., to paint and repair two and one-half story frame dwelling for Mrs. Beulah Gitt Mehning at 43 E. King St.; Vernon C. Reaver, 10 E. King St., to paint two-story dwelling roof for Mrs. Emma Stuller, 413 S. Queen St.; William S. Duttera, 143-145 E. King St., to paint double dwelling; Joseph M. Cookson, 501 E. King St., to excavate and construct two one-story brick caser, composition roof dwellings at 36 and 40 E. Myrtle St.

Treasurer Reports

The secretary was instructed to notify the Metropolitan Edison Company to investigate and if possible relocate their utility pole at 5 W. King St., in order that the pole will clear motor vehicles traveling close to the curb.

TWENTY YEARS AGO

Convention of D. A. Opens Monday: Delegates will begin arriving on Monday for the opening session Monday evening of the 42nd annual convention of the state council of Pennsylvania Daughters of America. The convention closes Wednesday afternoon.

The opening session will be held in the Odd Fellows' hall, center square. The Rev. Howard S. Fox will give the invocation and benediction. Burgess C. A. Heiges and Dr. J. McCrea Dickson, president of the Chamber of Commerce, will give addresses of welcome.

College Opens 102nd Session: Asserting "the greatest menace in the world today is softness," Dr. Henry W. A. Hanson urged new and returning students to equip themselves with habits which will be assets; to seek real values in life and to determine to be great men, in formally opening the one hundred and second year of the battlefield school in exercises at Brue Chapel Thursday morning.

Although the exact enrollment has not been determined, it was stated that the student body would probably be larger than last year, when 550 students were enrolled.

For the first time in 45 years, college re-opened without a co-ed enrolled, the last of the women students having graduated last June.

Fifty Persons at Teachers' Picnic: Fifty-one persons, members of the Gettysburg public school teaching staff and guests, attended the teachers' annual picnic at the Mt. Joy community picnic grounds, Thursday evening. Supper was served at 5:30 o'clock. Horseshoes and other games were played. Miss Ruth Spangler was chairman of the committee in charge of arrangements.

Campus Club to Meet: The opening meeting of the Campus club will be held Tuesday afternoon at the home of Mrs. H. W. A. Hanson, college campus. Mrs. Charles H. Huber, Mrs. Herbert Hamme, Mrs. Albert Bachman and Mrs. Gilbert Reen will be associate hostesses.

Fairfield Girl Married Friday: Miss Mary H. Swope, daughter of Mr. and Mrs. E. B. Swope, Fairfield, and E. Sterling Rowe, son of Mr. and Mrs. Howard M. Rowe, Emmitsburg, were united in marriage in Philadelphia, Friday by the Rev. Dr. Nichols, pastor of the Arch St. Methodist church.

The marriage is the culmination of a campus romance that began when both were students at Drexel Institute, Philadelphia, several years ago.

They will reside in Philadelphia.

GOP Will Stage Halloween Party: An old fashioned Halloween party and barn dance will be sponsored by the Adams County Republican organization on Thursday evening, October 26, in the Tipton barn, Marsh Creek Heights. It is proposed to make the event an annual affair.

Hillbilly music will be featured and A. Lott Walker will "call the figures."

The committee announced that the guests will be "in costume."

John Ogden is chairman of the committee on arrangements.

1,485 Persons at Closing of South Mt. Fair: Adams County's 1953 South Mountain fair closed Tuesday night with 1,485 paid patrons in attendance and a large crowd of school children who were admitted free.

Fair officials were immensely pleased with the response Tuesday night and it is announced that the large crowds of Monday and Tuesday evenings brought the association out of a deficit into the clear for this year.

6,486 persons paid admissions and receipts through the turnstiles totaled \$2,195.45.

There were 1,092 less persons attending the exposition this year than last year and the receipts fell off \$439.47, fair officials said.

Halt Relief in All Townships: Podd relief from the Adams County emergency relief board will be temporarily halted in all townships of the county. Relief for residents

Today's Talk

By GEORGE MATTHEW ADAMS

THE FURNITURE OF THE MIND

How have you furnished your mind? It doesn't take money to do this. It just takes you! Have you a library there? Is it neatly arranged so that anyone can walk into it and feel comfortable and immediately inspired? How about the pictures on the walls? One's home is a reflection as to the one who owns it. How about your mind home?

Have you cluttered up your mind with antique specimens of thought and ideas? Or have you selected the beauty of God's earth to shine therein? Is there poetry to the furniture that is placed within your mind? Do you have special treasures that fill you with pride as you exhibit them to your friends?

When we look into a man's mind we see the man. Does it make you happy to have your friends enter this holy of holies and be at one with you? Fortunate are you if this is the case. Some people never invite their friends into their minds. They just greet them as they pass by, or hail them to a brief spell of talk on the veranda! What a rich experience when we glory in inviting a choice spirit into this mind of ours, and point out the furniture that helps so much to make it a genuine home! Emerson, standing at the grave of one of his dear friends, remarked: "What a beautiful soul he had," proving that here was a man who had adventured into the mind of that one who was put to his long sleep. I am sure that he never found fault with the way that he had furnished his mind. What an experience it is to be invited into a beautifully furnished mind! It's something that stays with us. And it is what we leave behind that gives a glow to that mind.

We don't know what the stars are made of, but they give a glow to our hearts as we look upon them, high in the heavens. We can't see the furniture in the mind of one, but in our imagination we see it as it is. Some are furnished with no more than a chair and a bed! Others could show the wisdom of the ages, garnered from the four points of the compass.

Tomorrow Mr. Adams will talk on the subject: "Music."

Just Folks

FAMILY REUNION

On books no longer he depends. At last the camping season ends. The bunks are bare in every shack. Once more he has the children back. The rooms which have so long been stilled

Again with laughter gay are filled. With spirits high that once were low. Now grandpa has somewhere to go.

The lonesome days and nights are done. The old boy now can have some fun; Can take a walk, as oft before, And wind up at a candy store.

Or, when the evening meal we've had, Can play a game with girl and lad. His step may be a trifle slow But grandpa has somewhere to go.

The children now are home from camp And life less lonely is for "gramp." For two long months he sat and read And early tucked himself in bed, But now with all his merry flock He can stay up 'til nine o'clock.

Though tired, no sign of it he'll show, For grandpa has somewhere to go.

Pennsylvania's Scholastic Grid Schedule Plunges Into High Gear This Weekend; Many Big Games

By DICK HOENIG

HARRISBURG — Pennsylvania's schoolboy football teams plunge into full scale conference play this weekend after two weeks of mostly exhibition contests.

The first weekend with league games on tap in every conference finds the schedule makers coming up with major tests for virtually every early season contender.

Thrown in for good measure are a scattering of interesting non-league affairs between established regional powers. Here's a rundown of the top attractions conference by conference:

East Penn — Sunbury and Old Forge, Southern and Northern division titleholders, both face rugged tests: Sunbury against Berwick and Old Forge against Blakeville. Berwick and Blakeville are 2-0 in the week and easily capable of making it three in a row. The two champs must rate as one-point favorites.

Lebanon Is Favored

Central Penn—For the third year in a row Lebanon runs into Harrisburg John Harris after winning the tag "Central Penn team to beat." In both 1951 and 1952 favored Lebanon was upset by Harris. This time, however, Lebanon's Mickey Marinkov (six Tds in two games) looks like he's the man to turn the tide.

South Penn — Gettysburg is favored to grab its third straight win at the expense of Carlisle.

Western—Dubois is the choice to continue its unbeaten and untied string with a two touchdown decision over Clearfield. Conemaugh Township, already a two-time conference winner, gets the nod over Fernside in a battle of unbeaten.

Section II—Meadville opens its drive to regain league honors lost to Corry last year as the solid favorite against a Franklin team that has already chalked up one league victory—one more than it was able to get all last season.

Undefeated Teams Clash

WPIAL—Donora goes after Double A win No. 2 and should get it at the expense of Charleroi, but not easily. Both are undefeated in two games this year. After two exhibition losses, defending champion Alliquippa takes the underdog's roll in its first league try against McKeesport, winner of two non-conference games.

Big 3—Allentown is favored in its trip to Norristown but not by as much as last year's three touchdown margin.

Keystone—Shamokin's high scoring Greyhounds, surprised by Danville last week, appear headed for another setback when they enter Pottsville. Both were among pre-season favorites.

Susquehanna—Lock Haven, 1952 winner, should take Jersey Shore by two or three touchdowns and become odds-on favorites to repeat in 1953.

Non-League Battles

The top two non-league clashes, Upper Darby against Lancaster and Coal Township at Williamsport fit into the tossup category. Upper Darby won all nine games it played last year and Lancaster took its first clear Central Penn flag. Up-

reception here, Colonel Lindbergh expressed a desire to continue his Russian travels to the Soviet capital.

Couple Observes Golden Wedding: Mr. and Mrs. Zephaniah Topton, who were celebrating their golden wedding anniversary were guests of honor at a surprise party tendered them recently by a number of their friends at their home in Biglerville.

Members of the Intermediate Christian Endeavor Society of St. James Lutheran Church hiked to Spangler's Spring, Wednesday evening, to hold a business meeting.

per Darby and Coal with plenty of doubt.

Last week 76.3 per cent of the AP choices were correct, lifting the season average to 74.8 per cent.

Here are the other winners across the state:

East — Tamaqua over Blythe Township, West Hazleton over Coal Dale, Minersville over Shepandoah, Mahanoy City over Mount Carmel, Schuylkill Haven over Lansford, Hazle Township over McAdoo, Mahanoy Township over St. Clair, West Scranton over Taylor, Wilkes-Barre GAR over Plymouth, Swoyersville over Newport Township, Easton over Philadelphia Maastbaum, Bethlehem over Philadelphia Bok, Phoenixville over Howard, Hazleton over Allentown Central Catholic, Chester over Havercord, Lower Merion over Ridley Township.

Other Contests

Central—Reading over Steelton, York over Milton Hershey, Harrisburg William Penn over Chambersburg, Hanover over Shippensburg, Hershey over Palmyra, Mechanicsburg over Middletown, Waynesboro over Martinsburg (W. Va.), Northumberland over Lewisburg.

West—Bellefonte over Mount Union, Ebensburg over Cresson, Hollidaysburg over State College, Lewisburg over Tyrone, Philipsburg over Morris Township, Tarentum over Springfield, Johnstown over New Kensington, Ellwood City over Rochester, Har-Brack over Farrell, Butler over Grove City, Beaver Falls over Pittsburgh Fifth Ave., Vandergrift over Indiana, New Castle over Pittsburgh Peabody, Titusville over Warren, Corry over Millersburg, Oil City over Greenville, Johnstown over Red Bank Valley.

U. S. TO RETURN MIG JET PLANE TO ITS "OWNER"

WASHINGTON — The United States today offered to return to its "rightful owner" the MIG15 jet plane flown into American lines by a North Korean pilot.

At the same time the Far East Command withdrew for the duration of peace talks the offer to pay \$50,000 for MIGs delivered to the West.

The statement by Gen. Mark W. Clark, U. N. commander, had nothing to say directly about payment to the Korean pilot who delivered the first MIG last week. Pentagon officials, however, noted that there was nothing in the Clark statement to make it retroactive. On that basis the Korean would get his money—\$50,000 for the plane plus another \$50,000 bonus as the first to take up the U. S. offer.

Seek Rightful Owner

Clark's statement, released simultaneously here and in Tokyo, said: "The traditional policy of the United States of America to grant asylum to those seeking freedom remains unchanged.

"However, during this period of armistice discussions the offer by the Far East Command on 27 April, 1953, to award \$50,000 for undamaged MIGs brought to our side is withdrawn.

PTA Meets

Approximately 200 were in attendance at the first fall meeting of the Parent Teacher's Association of the Littlestown Joint School System Tuesday evening in the high school auditorium. President R. R. Kunkle presided. The program consisted of vocal duet selections, "Eventide," Brahms' "Lullaby" and "Lavender Blue" by Patti and Suzi Long, students in the high school, accompanied by Mrs. Joan C. Will, music supervisor in the schools; and a brief talk on the audio-visual program of study in the school given by Maurice E. Bream, director of that phase of work and who explained the advantages to the students of this type of study.

The invocation was offered by Elmer C. Shildt. There was a discussion on projects for the year and it was decided that at the meeting of the executive board next week, a project committee will be appointed. All the teachers of the Jointure were introduced at the gathering. The award for the evening went to Mrs.

Robin Roberts Beats Giants For 23rd Win As Spahn Gets 22nd; Phillies, Cards Tied Up

By BEN PHLEGAR
AP Sports Writer

Robin Roberts is going to fall considerably short of some of the glowing predictions made for him early in the season but the Philadelphia strong boy has still had quite a year.

Contrary to some of the optimistic experts, Roberts didn't 1. Win 30 games.
2. Pitch 400 innings.
3. Start every third day without a break.

Big Record For '33

But with one more starting assignment to come before the season ends on Sunday, the Phillies' right-hander is sure to

1. Win possibly 24 games, as many or more than anybody else in either league.
2. Pitch more innings than any National Leaguer since Grover Cleveland Alexander in 1920, and more than anybody except Alexander in the league since 1907.
3. Start more games than any other pitcher in the league this year.

Leads In Strikeouts

Roberts won his 23rd game last night, edging the New York Giants 2-1 on six hits. It was his 40th start and his 33rd complete contest. For the 14th time this season he didn't walk a man.

Despite a bleak month starting in early August, Roberts' control record has been phenomenal. He leads the league in strikeouts with 196 and has walked only 61 men, an average of less than one every five innings. Christy Mathewson pitched 18 games in 1908 without giving up a walk, but the best the great Walter Johnson could do in one season was 10 walkless games in 1913.

Roberts probably will start Sunday against the champion Brooklyn Dodgers. So far he's worked 340 innings, 10 more than last year. With another two innings there'll be nobody between him and Alexander on the workhorse list. Alexander pitched 389 innings in 1916, 388 in 1917 and 363 in 1920.

Another pretty fair pitcher turned in one of his usual excellent performances last night as Warren Spahn of the Milwaukee Braves beat the St. Louis Cardinals 2-1 for his 22nd victory. Spahn has lost only seven games. Roberts has been beaten 15 times.

The combination of Roberts and Spahn moved the Phillies and Cards into an exact tie for third place in the National League. Each club has three games to play.

In other action yesterday the pennant winning New York Yankees defeated Philadelphia 3-1 and Cleveland clinched second place in the American League with an 8-3 verdict over Chicago.

Ed Lopat Is Ready

Cincinnati nursed its hopes for a fifth place finish with a 4-3 decision over the Chicago Cubs. The Redlegs, assured of at least sixth where they've finished the past three seasons, trail the fifth place Giants by a game and a half.

Ed Lopat took a seven inning World Series workout against the Athletics and everybody on the Yankees was satisfied he's really ready. He gave up a run, eight hits, walked no one and struck out four.

The Indians will finish second for the third straight year and still have a chance to match their 93-61 won and lost records of 1951 and 1952. With three games to go their mark is 90-61. Larry Doby broke a 3-3 tie in the eighth inning with his 29th home run. Bob Lemon went the distance for his 21st victory.

Chilled Sea Water Is Replacing Ice

VANCOUVER (AP)—Use of chilled sea water in place of ice to transport fish has produced favorable results here. Pacific Fisheries Experimental Station officials say the new method may prove of major importance to the fishing industry.

Scientists stored freshly-caught fish at a temperature of 30 degrees F., in sea water chilled by a condensing unit. The new system can be installed in wooden fishing craft without insulating the hull. It also eliminates carrying and handling of ice.

When the first lot was landed, the plump, wholesome, fresh-looking appearance of the spring salmon from the sea water tank could scarcely be distinguished from freshly-caught fish. The skin was without bruises which are often present when ice is used.

PRISONER IS INJURED

MEDIA, Pa. (AP)—John J. Kapinski, 39, broke away from guards shortly after he was sentenced on a larceny conviction yesterday and smashed a window in Delaware County workhouse. Then, without removing the jagged glass, he poked his head out.

Bleeding badly from neck and arm cuts, he was recaptured and taken to a hospital in Chester for treatment. Kapinski is a Philadelphian.

MORE BEEFEATERS

STATE COLLEGE, Pa. (AP)—The average American will eat 12 more pounds of beef this year than he did in 1952, a college agricultural economist believes, because of lower prices compared with pork. Gordon Bivens of Penn State College estimated that the 1953 average beef consumption would be 73 pounds per person.

ADVERTISE IN THE TIMES

ROCKY TESTS BIG WALLOP ON LASTARZA

By MURRAY ROSE

NEW YORK (AP)—Heavyweight Champion Rocky Marciano tests his vaunted wallop and risks his one-year old crown tonight against Roland La Starza, a supremely confident challenger, in a 15-round title fight at the Polo Grounds.

The handsome, 26-year-old New Yorker firmly believes he beat Marciano (Rocky won a split decision) in their first meeting 3½ years ago and he is sure he is going to make it official in the ball park with some 32,000 fans looking on.

Despite the challenger's optimism there were only a few of the fight experts who believe the ex-collegian will be able to escape the numbing blows of the aggressive, powerful 29-year-old champion.

Odds On Marciano

The odds are 4-1 that the undefeated Brockton blaster would win; 12-5 that LaStarza would be knocked out; 9-5 that Roland wouldn't finish 12 rounds and even money he wouldn't complete eight rounds. It was 8-1 that LaStarza wouldn't stop the durable Marciano.

There was only light wagering reported on the actual outcome itself. Most of the betting was concentrated on how many rounds the scrap would go.

Starting time for the outdoor bout is 9:30 p.m., EST. There will be no television or broadcast into the homes from the park. A telecast will be beamed over a closed circuit to 45 theaters in 34 cities and towns from coast to coast.

Predicts \$400,000 Gross

With the weatherman forecasting fair and warmer weather, President Jim Norris of the International Boxing Club, stuck to his prediction that the fight would gross about \$400,000. The IBC will collect a minimum of \$100,000 from the theater-cast, making a possible total of \$500,000 the gladiators will share in.

More conservative guessers figured the fight would gross no more than \$350,000.
If the melon reaches \$500,000, Rocky, in for 42½ per cent, will receive about \$170,000. LaStarza, who gets 17½ per cent, will collect about \$70,000. Roland's previous highest purse was the \$13,000 he earned when he dropped the controversial ten rounder to Rocky in Madison Square Garden, March 24, 1950—the turning point in the careers of both fighters.

At the same time Biglerville will go after its first victory after a tie and a loss when it clashes with Columbia in a Conference of the Roses game at Biglerville.

Completing Friday night's scholastic grid dish will be the tilt between Scotland and Delone at McSherrystown.

Coach Howard Shoemaker reports his Warrior squad in good physical condition for the Carlisle contest. Pete Baughman, end, who missed the Delone game due to an injured ankle, is ready to resume action. Sam Staley and Don Smith, linemen, have also recovered from injuries and will be available for duty.

During the past week of drills coaches Shoemaker and Jack Cervino have been working intently with younger lads in order to provide more replacements, a department in which Carlisle is expected to have a definite advantage. The Warrior coaches have been well pleased with the spirit of the squad as it prepares for what will be its toughest assignment to date.

Friday's clash will be the 31st between the old rivals. Gettysburg has won 14, lost 13 with three ending in ties.

There is little doubt that Carlisle will go all out to halt the locals. In 1951 and again last season the Warriors knocked Carlisle out of title contention in the South Penn race and they are bent on revenge. Carlisle, 53-0 winner over Biglerville last week, is being currently rated as a dark horse in the 1953 campaign.

Gene Haas' hard-luck Biglerville Cannors will be in their best condition so far this season when they meet Columbia, leaders of the Rose Conference.

Dean Starry, 210-pound tackle, who missed the first two games due to an appendectomy, is again in harness and is slated to start at his old position.

Lloyd Naylor, left halfback, and Carr Marks, left guard, have recovered from arm infections and are set for full time duty.

Coaches Haas and Bill Coradetti were particularly disappointed with the tackling exhibited against Carlisle and have worked hard to correct that phase of the game during the past week. They expect their charges to show much improvement.

Columbia is leading the Conference of Roses as the result of victories over Elizabethtown and Ephrata.

Another hotly waged tilt should be staged at McSherrystown where Delone will host Scotland School. Scotland defeated Susquehannock and then bowed to powerful Chambersburg.

Johnny McMahon's Squires lost decisions to Hanover and Gettysburg in their previous assignments.

Littlestown waits until Saturday to play its third game of the season, meeting Susquehannock on the latter's field in a Laurel Conference game.

Both teams will be seeking initial victories. Susquehannock has lost to Scotland and Washington Township. Littlestown engaged in a 12-12 tie with Biglerville before dropping a conference game to West York 15-7.

Other Friday night games which pack plenty of local interest include the following: Hanover at Shippensburg, Palmyra at Hershey, Mechanicsburg at Middletown, Martinsburg, W. Va., at Waynesboro, Chambersburg meets William Penn at Harrisburg, Saturday. Washington Township plays at West York in a Laurel Conference affair on Saturday.

Officials Pleased With Air Raid Test

PHILADELPHIA (AP)—A new air raid warning system alerted 185 locations in a four-county area within a matter of seconds yesterday and state civil defense officials praised the set-up as a means of saving "thousands of lives" in an enemy attack.

Dr. Richard Gerstell, state civil defense director, said that heretofore it would have taken about 15 minutes to alert all of the points. The new network covers Bucks, Chester, Delaware and Philadelphia counties.

Orders More Food And Fewer Speeches
LINCOLN, Neb. (AP)—Lincoln Lions club President Herbert R. Walt thinks that luncheon club members on the average listen too long and lunch too little.

His regime will be different. Speeches will be at a minimum. Food will be at a maximum. He's starting out the fall sessions with a baked ham lunch, slaw and lots of homebaked rye bread.

After that will come a smorgasbord, then in order venison, frog's legs, shrimp, lobster and other "real eating" lunches.

With a grin, he says "we'll start out in a small way."

Highway Construction Is At High Peak But Fails To Meet Demands Of Mounting Traffic

HARRISBURG (P)—Pennsylvania is spending more money than ever on highway construction and maintenance but is losing its battle to meet the needs of rapidly mounting traffic, a highway building expert said today.

"We are faced with increased traffic, weight and wear and tear on our roads without a corresponding increase in revenues," C. H. Buckius, chief engineer for the State Highways Department, said.

Buckius emphasized that Pennsylvania's 41,000 miles of state-maintained roads are in "probably the best physical condition ever." However, he added:

"We just haven't been able to keep pace with the type of highways needed to meet increased traffic and are falling behind in construction of sufficient traffic lanes around cities."

Need More Revenue

Buckius declared that neither the Highways Department nor the General Assembly is to blame for this. The answer, he said, rests with the people and whether they want to provide additional revenue for highway purposes.

The highway problem is not limited to Pennsylvania, he pointed out, but is nationwide.

The Keystone State spent a record \$382,368,000 on highway construction, maintenance and operation during the 1951-53 biennium. Of this, \$202,309,000 went for costs during the 1953-53 fiscal year, making it the largest single year operation.

Expenditures for construction, reconstruction and resurfacing during the year ended last June 1 reached a record total of \$136,191,000.

\$250 Million Schedule

An expenditure of some 125 million dollars per year is expected during the next two years. Buckius reported 59 millions in road work under contract this year up to Sept. 18. He said about another 30 million in contracts will be let before the end of 1953.

The chief engineer pointed out, however, that contract work does not include all facets of projects carried out by the department.

Setting the course for the department's long-range construction program is the report issued by the Highway Planning Commission for the department and the Legislature back in 1950.

The report charted a program to modernize the commonwealth's highway system with an expenditure of about 124 million dollars a year through a 12 year period.

"We follow that program religiously," Buckius said. "although the report's figures were made obsolete almost immediately by rising costs due to the Korean War."

Two Big Projects

Leading projects now under way in the state's greatest highway improvement program in history include the Route 22 Allentown bypass, seven miles of which will open Dec. 1, and the Route 30 Lancaster bypass due for completion this year.

The Penn-Lincoln Parkway will open in part during October and the Schuylkill Expressway from the King of Prussia terminus of the Pennsylvania Turnpike to Philadelphia city line should be completed by next summer.

Numerous other projects including elimination of a corkscrew curve on the eastern approach to Sunbury are in the long-range plan for the future but must await the availability of the necessary funds, Buckius said. No date for such projects can be set at present.

U. N. ASSEMBLY IS AT HALFWAY MARK IN DEBATE

UNITED NATIONS, N.Y. (P)—The U. N. General Assembly reached the halfway mark in its policy debates today with a major British declaration slated to give strong support to U.S. views on the Korean peace conference makeup.

Eleven countries, including two Iron Curtain delegations, were on the day's list of speakers. British Minister of State Selwyn Lloyd was scheduled to take the rostrum late in the morning session.

Lloyd previously had told the Assembly in procedural discussions that Britain was against reopening debate now on the Communist Chinese demands for an expanded "round-table" peace conference with four Asian countries and Russia included as neutrals.

Will Try Again

Russia's Andrei Vishinsky fought hard early in the week to get the Assembly to reconsider the stand it took in August that the conference should be a two-sided parley with only belligerents repre-

senting the U.N. He failed but is expected to try again to force a debate on the Chinese demands.

Lloyd told the Assembly in a prelude to today's statement of British policy that the Red Chinese and North Koreans should accept the suggestion of Chief U.S. Delegate Henry Cabot Lodge Jr. that the peace conference itself determine whether any "neutrals" should be invited to the parley.

The British also had indicated previously that they thought any debate on Korean political questions should be delayed in the Assembly until the United States, as spokesman for South Korea and the 15 U.N. allies with troops in Korea, could get the peace conference arrangements effected.

Breach With British Repaired

The whole tenor of Britain's statements in the U.N. during the debates has indicated that the British-American breach, caused by U.S. opposition to India as a peace conference member, has repaired.

The two allies also are sticking together in support of Turkey for the Security Council seat which Greece will yield at the end of its two-year term in December.

The Philippines came out late yesterday with a surprise announcement that they were a can-

REDS FIGHT CORRUPTION

HONG KONG (P)—Red China's "five anti-campaign"—anti-bribery, anti-tax evasion, anti-cheating, anti-theft of state property and anti-theft of state economic intelligence—apparently has failed to make any deep impression on industrialists and merchants.

Tientsin's Ta Kung Pao said in a recent edition reaching Hong Kong that many industrialists and merchants, infatuated with quick profits, have violated the five points by methods "cleverer" than before.

IN THE SWIM AGAIN

EASTHAMPTON, Mass. (P)—Everyone has a story about the recent heat wave, but Arthur McDonald thinks his is the best.

He went for a swim in Highland Lake in neighboring Goshen and liked it.

What's unusual about that? McDonald is 87, and it was his first dip in 70 years.

didate for the council and that the Arab-Asian group of 15 nations—whose support Turkey had been counting on—would back them to keep an Asian country in the council. Pakistan is also bowing out in December, with New Zealand due to be elected to fill what is regarded as a British commonwealth chair.

EDUCATION LACKING

BELGRADE (P)—Yugoslavia's educational system is drawing down sharp criticism here as a result of this year's census showing that approximately 25 per cent of the population still cannot read or write.

The Communist newspaper "Borba," voice of President Josip Broz Tito's government, termed the finding "highly unsatisfactory," and noted that the present literacy figure of 75.1 per cent was only about 0.5 less than five years ago despite a mass education drive.

A Continental Army manual written by Baron von Steuben cautioned soldiers against "vexing the inhabitants" near their camps.

KEEPS MUM ON RED QUESTION; SAYS HE'S PROUD

PHILADELPHIA (AP)—Dr. Barrows Dunham, fired from the faculty of Temple University for refusal to answer questions of a congressional committee, said "no man was ever dismissed for reasons that did him greater honor."

The 47-year-old head of Temple's philosophy department was suspended last March 1 after invoking constitutional immunity in refusing to answer questions before the House Un-American Activities Committee.

The university board of trustees announced Dunham's dismissal on grounds "he acted in clear contempt" of the committee.

The board released a statement after its meeting yesterday in which it said:

Refused To Cooperate
"Dr. Dunham not only refused to cooperate in good faith with the agency of the government, but he also acted in clear contempt of the committee, and abused the high constitutional privilege he invoked."

The board said it took "uncompromising exception" to Dunham's refusal to tell the committee his educational background and present occupation.

In his appearance before the committee in February, Dunham at first declined to state his name and age under oath, claiming constitutional immunity against self-incrimination. On orders from the committee, he then stated his name and age but declined to answer further questions and was dismissed. The committee voted unanimously to cite him for contempt.

"Liberated Me"
"I have stood for the exercise of our common rights under the constitution, and the constitution thrives by such exercise. In defending the constitution all penalties are small," Barrows said in a prepared statement.

"The administrators and trustees of Temple University have liberated me, but they have put themselves in chains. They have surrendered to the first political adventurer who passed by. I cannot envy them. They administer what is, or was, an educational institution, and they can never be sure when thinking may break out," the statement concluded.

The board statement said its action was not based on Dunham's educational background which "is a matter of record and is entirely unexceptionable" and that the case involves no question of academic freedom or of Dunham's political opinions.

"We do not act upon anything Dr. Dunham has said, but upon a false resort to constitutional immunity to evade exposition both of his views and of his affiliations. The right to free expression is certainly not served by abuse of the right to remain silent," the statement added.

Man Is Killed In Four Vehicle Crash

BELLWOOD, Pa. (AP)—A motorist was killed and three school children were injured seriously today when a school bus, two tractor-trailers and an automobile crashed near this Blair County community.

State police tentatively identified the dead man as Lesley R. Kyper. The three children injured were identified as Josephine Benedetto, 17, Ghenna, Stonerock, 17, and her sister, Nancy, 16, all of Altoona, R. D. 3.

Police said the schoolbus was owned by the Bellwood Anti Township school district. The crash occurred as the bus was stopped to pick up some youngsters.

The passenger car, driven by Kyper, stopped for the bus, police said, and was struck in the rear by the tractor-trailer.

Few Eggs, Less Cream But More Poultry

HARRISBURG (AP)—The State Agriculture Department today reported fewer eggs and less cream, but more poultry, cheese and butter in cold storage houses of Pennsylvania on the first of this month than on Aug. 1.

Federal-state surveys showed that withdrawal of eggs was fairly heavy during August as production declined seasonally.

Stocks of shell eggs dropped 15,000 cases of 30 dozen each, leaving 36,000 cases on hand at the end of the month. Frozen egg supplies declined 581,000 pounds to a Sept. 1 total of 4,961,000 pounds.

MAN IS SENTENCED
PHILADELPHIA (AP)—Convicted of second degree murder in the highway death of a 9-year-old girl two years ago, Chester Farrington, 34, of Philadelphia, received a three-to-seven-year sentence from Judge Eugene V. Alessandrini yesterday.

Police said Farrington was fleeing from officers when his car hit Charlotte Jackson, killing her and seriously injuring the girl's 3-year-old sister, Joan, in October, 1951.

INFORMALITY PAYS OFF
WAYNESBORO, Pa. (AP)—"What? Wear slacks and shorts to church?" That was the first reaction of residents of this south-central Pennsylvania community when the Rev. L. Elbert Wilson issued an invitation to attend Sunday night services at a drive-in theater in casual sports clothes instead of "go to meeting finery."

However, Rev. Wilson reports the services are drawing excellent turnouts.

The climate and the average rainfall of the south make it one of the nation's best pasture and grassland farming areas.

ONE GOOD TURN
INDIANAPOLIS (AP)—Two men drove into a gasoline station, bought a tank of gas and then couldn't get their car started.

Attendant William Terrel obligingly gave them a push.

Their engine had hardly kicked over when one of the men hopped out, stuck a gun into Terrel's ribs and robbed him of \$45.

NO RINKS IN KOREA
MIDDLETOWN, Ohio (AP)—Here's one of the most unusual things done by returned prisoners of the war in Korea.

Pfc. Roland Hamilton, 25, went to a roller skating rink eight hours after he returned home. He kept whizzing around the floor until his feet hurt.

It seems the former POW loves to skate.

13 HORSES IN LITTLE BROWN JUG RACE TODAY

DELAWARE, Ohio (AP)—Thirteen horses are set to break from the gate today in the race of 3-year-olds for the Little Brown Jug Trophy and a share of the \$34,972.21 that goes with it.

In early betting, Keystone, with Frank Ervin in the sulky, has been established as the favorite at 3 to 1. And there will be a championship tradition riding with the pacer owned by George L. Stirling of Cleveland.

Keystone, who'll be charging out of post position four, is a half-brother of Tar Hell, 1951 Jug winner and world champion.

Ervin was behind Good Time when that all-time big money winner won the Jug in 1949.

Giving Keystone a run for the winner's purse will be Countess Vivian piloted by Del Miller. There's tradition behind Miller, too.

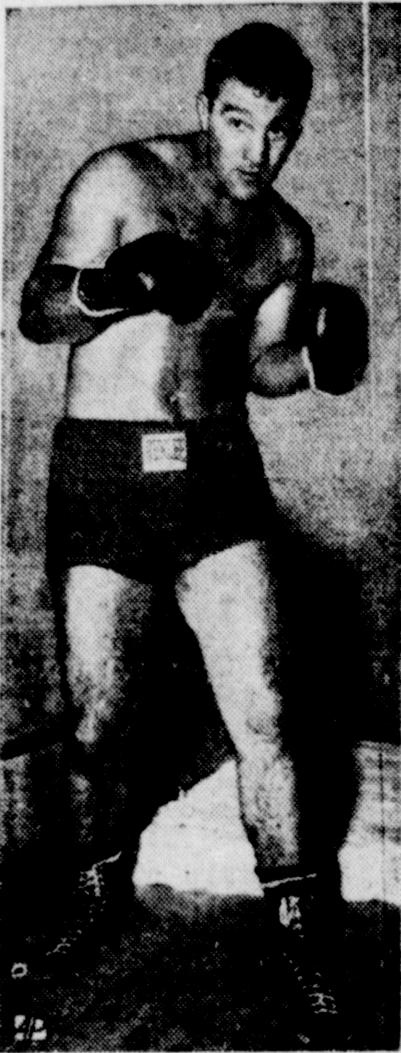

Set Pace For 3 Years
Horses from his stable have dominated the pacing classic for the past three years. He drove Dudley Hanover to victory in 1950 and trained Tar Hell and the 1952 winner, Meadow Rice. Countess Vivian is a 4 to 1 choice.

An interesting sidelight of the big race—the country's richest for side-wheelers and carrying top prize for any harness race over a half-mile track—is the appearance of Wayne (Curly) Smart.

The veteran trainer and driver has been in and out of the sulky with court decisions affecting a

Heavyweight Boxing Champion Rocky Marciano (left) says he's ready for the title bout tonight in New York's Polo Grounds against Challenger Rolan LaStarza. The champ is the heavy favorite of the experts.

INDIFFERENCE CALLED GREAT U. S. TRAGEDY

Political indifference on the part of millions of its citizens was described as "America's greatest tragedy" by Edward Hardcastle, district manager of the National Federation of Independent Business at a meeting of the New Oxford Lions Club Wednesday evening at the New Oxford Community Fire Co. building.

"There are millions of Americans who will fight and even die for democracy, but they will not work for it," Hardcastle said. "They possess the world's greatest treasure, the secret ballot, but they have to be driven to use it; their technical and industrial skills are excellent, yet they remain politically uneducated."

and indifferent; this is America's greatest tragedy.

"There are those who seem to think their liberties are perfectly safeguarded by words inscribed on parchment. When the people's representatives in Washington ask their opinions on important national issues if ten out of a 100 take the trouble to reply, the representative thinks the return good. The power delegated to the people by the tenth amendment cannot flourish in this kind of atmosphere."

KIDNEYS MUST REMOVE EXCESS WASTE

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 6 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

ing smaller. Big government creates little people, while big people will have little government. To finance our big government it is no longer possible to 'just soak the rich.' All the money earned over \$25,000 would not run this government for a single

month. "Our whole empire, the biggest spender and the biggest debtor in the world, rests squarely on the shoulders of the little man, like you and me. Can we hold it up? Good government will be found in an informed, active and steadfast people. Every one of us has his own share to contribute toward running a democracy."

President Philip E. Alwine presided at the meeting, held as a dinner session in the fire hall. George H. Allamong, chairman of the entertainment committee, introduced

the speaker who was obtained for the meeting by Charles E. Alwine. Routine business was transacted at a session of the board of directors held after the regular meeting.

AFL CALLS FOR MORE POLITICAL UNION ACTIVITY

By NORMAN WALKER
ST. LOUIS (AP)—The AFL today sounded a call for stepped-up political activity after hearing a message from President Eisenhower that the Taft-Hartley law is essentially sound.

AFL leaders seemed to take this to mean Eisenhower's administration intends to retain most major features of the union criticized labor relations law.

Eisenhower's message, read to AFL convention delegates by Vice President Richard Nixon, promised he will recommend T-H amendments to Congress next January to correct "a number of defects."

Didn't Itemize Changes
James L. McDevitt, director of the AFL's Labor League for Political Education, said in a report prepared for delegates: "Let's go home from this convention and get the people we represent in action now."

Eisenhower's message did not spell out what labor law changes he has in mind. He said the administration has the law under a continuing and critical study and will be prepared to send suggested changes to Congress in January.

He said the general aims are to "remedy defects which cause concern on the part of working men and women over possible results and uses of the act to their detriment," to improve the law's administration, allow "healthy

growth" of unions, and lessen "government interference" in labor relations.

Nixon Defends Ike
The convention was due to hear addresses today from two members of Eisenhower's Cabinet, Secretary of State Dulles and Welfare Secretary Oveta Culp Hobby as well as from former President Truman.

Truman was to speak at convention memorial services for the late AFL President William Green and there was no advance indication he would engage in the running controversy between AFL leaders and the Eisenhower administration over Taft-Hartley changes.

Nixon, in remarks of his own before delivering Eisenhower's views to the convention, said he was confident President Eisenhower hadn't broken his word on Taft-Hartley changes as claimed by former Secretary of Labor Martin Durkin, an AFL union leader.

BALTIMOREANS READY TO BUY ST. LOUIS CLUB

BALTIMORE (AP)—A group of wealthy Baltimoreans was all set today to plunk out \$1,115,000 for working control of the St. Louis Browns if American League owners okay the transfer.

Meanwhile, a group of St. Louisians announced last-ditch plans to fight the transfer, saying they would fly to New York to seek a hearing before league owners at the special meeting Sunday.

The developments came as a time for decision neared on Bill Veck's second attempt to move his Browns from St. Louis. The league turned down his request to come to Baltimore last spring by a 5-2 vote.

Confident Of Okay
The feeling here was one of confidence that this year's attempt would succeed with local baseball men claiming the necessary six votes for the franchise shift would come Baltimore's way.

Most of the club owners who voted against the transfer last spring were reported solidly in the Baltimore camp. Clark Griffith of the Washington Senators—a previous foe of the move—has public-

ly stated he will vote for Baltimore regardless of what other owners do.

Wont Specify City
The Baltimore Sun reported last night that television contracts Griffith has had with Baltimore brewers have been satisfied and that Washington games are to be televised and broadcast over a large chain of stations, mainly in the South, through 1954 and 1955. In addition, Griffith will reportedly receive an extra \$300,000 if the Browns are moved here.

But remembering last spring's defeat when the transfer was regarded as equally certain everything was done with a note of caution last night—contingent on Sunday's action.

A special American League committee has said only that it will recommend transferring the Browns to "another city" to be determined by the owners.

Financial arrangements aimed at giving Baltimoreans control of

the Browns were said to include these main decisions:

1. Local interests, headed by Atty. Clarence W. Miles, would pay an estimated \$1,115,000 for half of the stock now held by a Chicago-St. Louis combine headed by Veck. This is approximately 79 per cent.

2. Veck would remain president of the club, to be renamed the Baltimore Orioles, and Miles would be chairman of the board.

3. Local members would hold six of the 11 seats on the board of directors, and the Chicago-St. Louis group would retain the others.

RINGGOLD, Ga. (AP)—There must be a housing shortage among snakes. Mrs. Fred Goodman found one in her bed recently, and a few days later, her mother found one in the bathtub.

Mrs. Goodman was bitten in the dispute for possession of sleeping quarters, but fortunately, the reptile was not poisonous.

BICENTENNIAL CHURCH RITES

Old "Saint Peter's Kierch", Middletown, is expected to be filled to capacity on Saturday for the John Christian and John Frederick Christian Alleman bi-centennial celebration.

One of the oldest churches in that area, the brownstone edifice stands as a landmark of Colonial times and a memorial to the two Allemans who came from Germany to settle in present Middletown exactly two centuries ago and to help establish the earliest place of worship 14 years later.

The church later became known as St. Peter's Lutheran Church.

Alleman Sponsors
Sponsored by the Alleman Family Organization of America, the special program is set for 1:30 p.m. Satur-

day. The Rev. Snyder Alleman, of Red Lion, president of the organization, will deliver the address of welcome, with Mrs. Helen Alleman Hassler, Harrisburg, formerly head teacher at the Woodward School and secretary of the group, serving as hostess.

From pre-Revolutionary days down to the present, the history of the family will be traced by Fred R. Alleman, of Washington, N. J., and the details of the founding of the church and a review of its long existence will be given by Ross E. Seltzer, of this borough.

The Rev. Dr. Paul R. Clouser, pastor of the new St. Peter's Lutheran Church, Middletown, will deliver the principal address.

CLAIMS ATOMIC POWER READY IN EARLY FUTURE

PHILADELPHIA (P)—Electric power from atomic energy will be available to Pennsylvania consumers "before very many years," the Pennsylvania Electric Assn. was told Wednesday.

Speaking before the closing session of the association's 46th annual convention, John R. Menke, president of Nuclear Development Associates, urged private development of the commercial use of atomic energy.

"Its commercial possibilities can best be developed and marketed by people operating under the profit incentive of the American capitalist system," he said.

In another address, the 800 utility executives were told taxes could be reduced and the cost of electricity cut down if government-owned power systems "were made to pay their fair share of taxes."

"When the government goes into proprietary business it should pay taxes to the same extent and on an equal basis with investor-owned proprietary business," said Walter Sammis, chairman of the board, Pennsylvania Power Co.

Interior Secretary Douglas McKay said in a speech Tuesday night he thought "there is a place in this country for both public and private power" programs. He said the Eisenhower administration has discarded what he termed the "old philosophy" of the federal government "intruding into the fibre of local government."

Rhode Island Reds Win Egg Contest

HARRISBURG (P)—A pen of Rhode Island Reds entered by the Harco Orchard and Poultry Farm, South Easton, Mass., won first place in the 1952-53 Pennsylvania egg laying contest, the State Agriculture Department announced today.

The winning pen had a record of 3,505 eggs and 3,797 points in the 50 weeks test.

Second was a pen of White Leghorns bred by Guy A. Leader and Sons, York, with 3,512 eggs, and 3,693 points. Third was a Leghorn pen bred by George M. Anthony, Strasstown, Berks County, with 3,312 eggs and 3,547 points.

EISENHOWER TO ASK CONGRESS FOR T-H CHANGES

ST. LOUIS (P)—President Eisenhower, in a message to the American Federation of Labor, Wednesday described the Taft-Hartley Act as essentially sound but promised to ask Congress in January to correct "a number of defects."

The President gave his message to Vice President Nixon to deliver in person.

It came in the midst of hot controversy between the White House and Eisenhower's former secretary of labor, Martin Durkin, over whether the President backed out of an agreement to support certain specific changes in the Labor Law.

Eisenhower did not refer directly to this controversy.

Durkin told the AFL Tuesday

Eisenhower had promised to send Congress 19 specific amendments to the Taft-Hartley Act but repudiated this understanding. Durkin said that was why he resigned from the Cabinet on Sept. 10.

The White House denied that Eisenhower had made any decision on changes or any commitment. Eisenhower said in today's message that deliberations on modifying the law are still going on and "I shall send my own suggestions to the Congress at the opening of its session in January."

He expressed the view, however, that the enactment of the law by the Republican 80th Congress "was a substantial contribution to the quest for sounder labor-management relations," and he declared: "I believe that the experience under the act has confirmed its essential soundness."

Eisenhower said too that Durkin's participation in the talks on revision of the law had been of great value and that the secretary's resignation was "unfortunate."

EPISCOPALIANS SEEK \$400,000

HARRISBURG (P)—The Episcopal diocese of Harrisburg will attempt to raise \$400,000 for observance of its 50th anniversary next year.

A special one-day convention of clerical and lay delegates representing 78 parishes and missions of the diocese, voted Tuesday to go ahead with the fund raising drive.

The money will be used for advance work in the diocese which includes all of Central Pennsylvania.

Bishop J. Thomas Heistand of Harrisburg was in charge of the convention. He led a special communion service during the day.

Part of the money to be raised will be used to assist in building churches in Hershey and Hanover and to complete a church in York. The basement of St. Andrew's

10 AMISH DADS SENT TO JAIL

LANCASTER, Pa. (P)—Ten Amish fathers began five day jail terms Wednesday on charges of violating Pennsylvania's Compulsory School Attendance Law.

The men were sent to the Lancaster County Jail in default of fines imposed last night by Justice of the Peace Edgar Getz. All were found guilty by Getz of not sending their 14 year old children to school after the beginning of the fall term.

Another Amish father, Moses B. Zook, Gordonville R. 1, was excused from a jail sentence with an unknown benefactor sent his fine and costs of \$18.78 to last night's hearing. Getz said Zook has been in ill health for some time.

Eight of the jailed men were prosecuted as second offenders and fined \$5 each plus costs. The other two were fined \$2 and costs on their first conviction.

Episcopal Church in York is being used now for worshipping by the congregation.

The diocese also plans to build or purchase a rectory in Lewisburg with the money and to assist in renovation of the parish house and rectory in Tioga.

The fund raising campaign will be launched in the spring of 1954.

SAY OUSTED RED SAFE IN JAPAN

SEOUL (AP)—A South Korean intelligence officer said that Park Hun Yung, ousted foreign minister of Red North Korea, had been spirited to safety in Japan. A U.S. Army spokesman in Tokyo denied knowledge of Park's whereabouts.

An intelligence officer for the ROK National Police said Park's flight to safety was "engineered" by American officers.

He said Park's escape was planned as early as last January.

Last August the North Korean Pyongyang radio announced a sweeping purge of about a dozen government leaders, including Park. Later it was announced that Gen. Nam Il, the chief Red truce negotiator, had taken over as foreign minister.

Park was the No. 1 Red in South Korea during the U. S. occupation. He fled to North Korea before the outbreak of war and has bitterly assailed America on numerous occasions.

Nonetheless, he was purged for allegedly spying in North Korea for the United States.

8-Ft Boa Submits To Tumor Operation

STILLWATER, Okla. (AP)—Patients and spectators at the Oklahoma A&M College veterinary clinic made a beeline for the door today when "Papa," a fellow patient, made his appearance.

"Papa," a slender 15-year-old, had a tumor-like growth on his jaw. He was quiet and amiable during the operation, although it took three men to hold him on the table. He's an eight-foot boa constrictor from South America, a star performer in a sideshow now playing at the Payne County Fair.

"He isn't mean and not so strong since he's been sick," his owner assured the doctors. "He's got just enough strength to pull an arm off, maybe."

The operation was a success.

SAYS PACT WAS SIGNED TO CURB CANDIDACY

SECAUCUS, N. J. (AP) — Henry Krajewski said Wednesday that he and Elmer H. Wene signed an agreement July 31 that Krajewski would withdraw as independent candidate for New Jersey governor and be replaced by Wene.

Krajewski, pig farmer and tavern owner, said the agreement was signed by himself and Wene before a notary public at Krajewski's home here.

At Vineland, Wene told a newsman:

"Look, I can't say anything. Get in touch with Frank McInerney, in Jersey City, my lawyer. He's handling everything. And whatever he says goes."

McInerney couldn't be reached immediately. He was en route to Red Bank for a court case.

"Wait Another Day"

Krajewski said, "We made the agreement that he would run to support a veterans' bonus. By doing that, I would sacrifice my position on the ballot. If he did not run, he promised he would support me with his organization."

Krajewski said he has been waiting to hear from Wene, but added, "Each time I call him he says

"wait another day." Although Krajewski said the agreement was signed on July 31, he declared in a statement Sept. 7 that he had no intention of pulling out of the campaign.

"I am in it to win," he said then. On Sept. 1, Wene in an interview said his backers were trying to get him into the race as an independent, but he said he had not made up his mind whether to run—even if he could.

No Independent Ticket
Ernest R. Kerr, chief clerk of the secretary of state's office, said at the time that "anyone defeated in a primary cannot now come in as a candidate on an independent ticket. That's my opinion and I think the attorney general will back me up."

Other legal sources have said it was believed Wene could enter the race as a substitute independent.

Tomorrow midnight is the deadline for withdrawal from the gubernatorial race.

Krajewski said, "Wene came to my home with the proposition that he wanted to get on the ballot. This was about a week before we signed the agreement."

"I'm not as rich as he is and I have no organization."

Wene heads one of the largest baby chick hatcheries in the east. Krajewski added, "He told me that he got a dirty deal, and if elected he could help the veterans. They (Wene supporters) say they have a strong organization. If he doesn't run, I'll really put up a

SEEKS BIGGER ASIAN ROLE IN UNITED NATIONS

NEW DELHI, India (AP)—Prime Minister Nehru has demanded a bigger role for Asia in the United Nations.

Opening a debate on foreign affairs in the upper house of Parliament, he called for inclusion of neutral countries in the Korean political conference and asserted: "It does not seem proper that problems intimately affecting Asia, problems which are in fact of Asia, should be disposed of largely by ignoring Asia."

Nehru also pointed out that Pak-

istan's term on the U. N. Security Council will expire Dec. 31 and that "Asia will then be represented solely by the government of Formosa (Nationalist China) and Lebanon."

"Leave Out Formosa"
"Leave out Formosa because that does not represent any part of Asia but itself, if it does represent that. Now, Lebanon is an excellent country, but it is rather a big burden on Lebanon," he commented.

Nehru declared that "it is going to be less and less feasible for any world organization to function in this way or to consider Asia only as a playground for their politics or their conflicts."

He said India would not seek election to the Security Council this year, "though I cannot say about the future."

East Berlin

EAST BERLIN—Contributions of canned goods and other foodstuffs brought to Trinity Lutheran Church for the annual Harvest Home exercises Sunday morning are being sent to the National Lutheran Home for the Aged, Washington, D. C., this week.

Many fall and early winter activities were discussed by the Young People's classes of Red Run Sunday school at their recent meeting at the home of Edward I. Livingston Sr., near the church. Their forthcoming Halloween party will be combined with the October meeting. Miss Helen Brown will conduct the November meeting at her home.

Mr. and Mrs. Raymond J. Jacobs Sr., R. 2, were among those entertained during the past week at the home of Mary Gise, Thomasville, in honor of Mr. and Mrs. Charles Gise, Fresno, Tex., who have since left for their home.

Altar flowers for a recent service at the Reformed Church in Abbotstown were placed there to honor Mr. and Mrs. Amos Baker, near Mummert's Meeting House, who observed their golden wedding day September 13. Mr. Baker and his wife, formerly Miss Maud Reynolds, are lifelong residents of the East Berlin-Abbotstown section. The couple has two daughters and a son. Mrs. Baker, with the assistance of the son, Harry, carries on the work of their Hamilton Twp. farm.

The recently born daughter of Mr. and Mrs. Sylvan Keller, R. 3, has been named Sylvia. Her brother, the Kellers' only other child, is Sylvan Jr.

Mrs. Clyde C. Sowards, north of town, spent a day in Lancaster and York to attend business recently.

Mr. and Mrs. John Baker joined a party from Hampton and Gettysburg last week to spend a day fishing at Indian River, Del.

sanitation inspector for the city of Bethlehem.

A witness testified Rice also is part owner of a Bethlehem funeral home.

Hartman said the board's decision probably will be forwarded to Gov. John S. Fine for his approval. Rice has the right to appeal but there was no indication he will do so.

The funeral directors board, a division of the Pennsylvania Health Department, has the power to hire and fire employees.

Rice was named to the \$3,360 a year job April 1 by unanimous vote of the board and with the approval of Gov. Fine. He inspected funeral homes to see if they were complying with state laws.

Says Sales Tax Only One Of Many Proposals Before Federal Government In Tax Overhauling

By JAMES MARLOW
WASHINGTON (AP) — Secretary of the Treasury Humphrey has said a sales tax is only one of about 40 proposals being considered by the administration in its approach to an overhaul of taxes.

When asked what the 40 proposals might be, a Treasury Department spokesman said Humphrey didn't mean literally 40 but used the figure as he might say "umpteen."

The number "40" may have been in Humphrey's mind because his staffmen and staffmen of Congress' Joint Committee on Internal Revenue Taxation have been working on 40 proposed changes in the present tax law.

Changes; No Sales Tax
Those changes would attempt to bring the law up to date, eliminate obsolete sections, and give taxpayers, perhaps millions of them, a tax break. For example, people with dependents.

Congress probably will put some of the proposals into effect when it returns in 1954. But a sales tax is not among the proposals being considered by the two staffs working together.

By and large the proposed changes would mean a revenue loss

to the government, not more revenue, such as a sales tax would bring in.

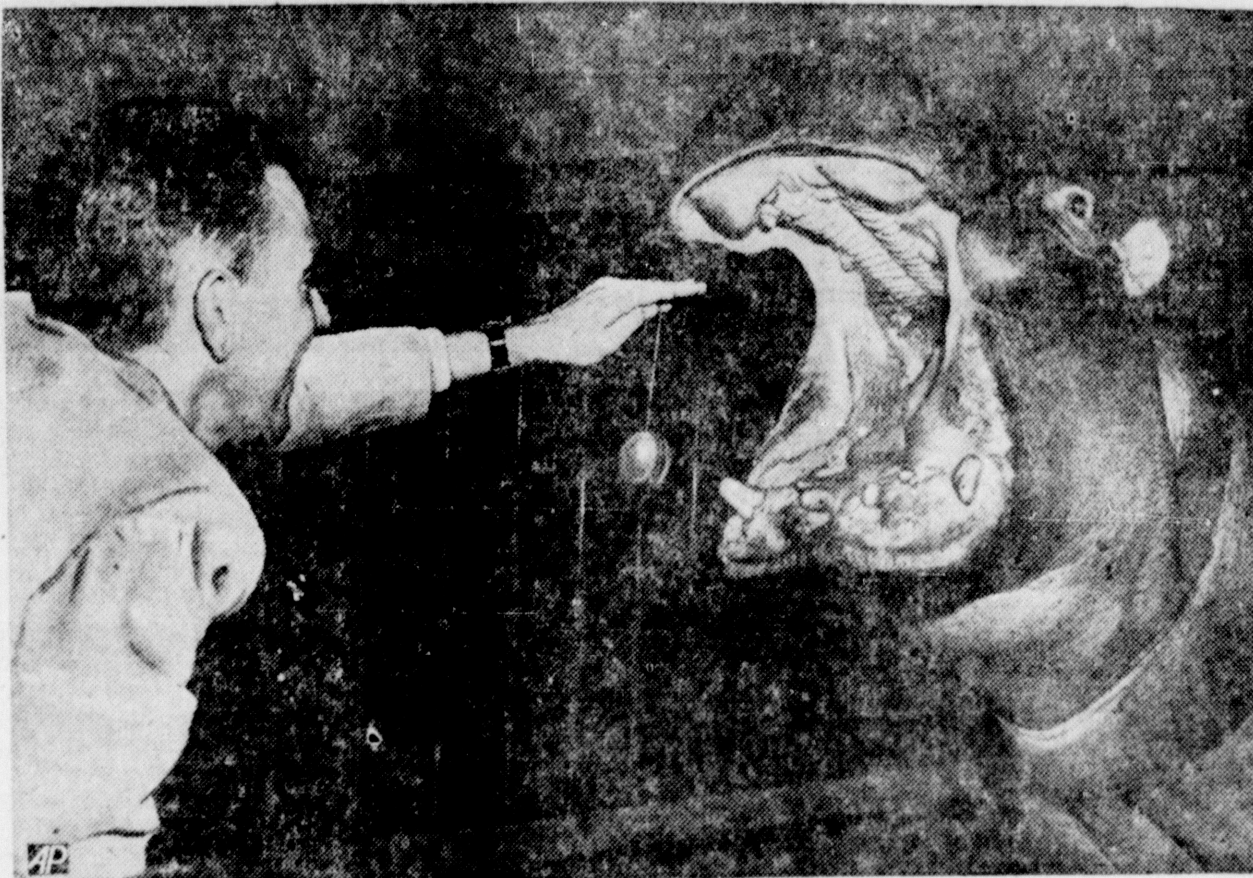

Faces A Choice
At this time any study of a proposed sales tax would have to be made by Humphrey's Treasury staff alone. No congressional committee is reported thinking of proposing it.

When the Treasury Department was asked what possible proposals for new revenue are being considered, the answer was: "That's confidential."

Yet next year, if the Eisenhower administration finds it can't balance the budget, it can do one of two things: (1) go on with a deficit, borrowing new money to meet its expenses, or (2) ask Congress for additional taxes.

Four Main Sources
If it seeks new revenue it can explore only four main sources: the income tax on individuals; the income tax on corporations; an excise tax, such as on jewelry; and a sales tax on most of the things people buy.

In the next few months, because of previous decisions of Congress four taxes are due to end or go down, with a loss to the government of about eight billion dollars

WILL SUBMARIE EVER LEARN? — After nearly choking on a yo-yo, Submarie, Philadelphia Zoo's female hippo, opens wide as Curator Fred Ulmer dangles toy before her.

annually in revenue:

On Dec. 31 the excess profits tax on corporations ends and the income tax on individuals goes down about 10 per cent; on April 1 the normal tax on corporation income drops five percentage points and some excise taxes are cut.

If There's A Squeeze
The administration, through

Humphrey, has already said it will not try to stop what is scheduled to happen Dec. 31: the end to the excess profits tax and the 10 per cent drop in income taxes, a combined loss of about 5½ billion dollars to the government.

But President Eisenhower several months ago asked Congress to delay indefinitely the drop in the normal corporation tax (it means two billion dollars revenue a year)

and in excise taxes (amounting to about a billion a year).

If squeezed in trying to balance the budget, he might renew that request. And, if really squeezed, the administration might also ask Congress to vote new or additional taxes.

Not An Election Year
But next year is a congressional election year. It's not likely members of Congress would go for an

increase in individual or corporation income taxes. That would leave the administration only two other main fields in which to look for added revenue:

A general sales tax or new excise taxes. For example, Congress could vote an excise tax on services or goods not now so taxed, like hotel rooms, laundry services, or furniture.

A sales tax could take several shapes: a tax on manufacturers—a tax paid by them on what they make and sell to wholesalers; a tax on wholesalers—on what they sell to retailers; or a retail tax—on what retailers sell to consumers.

It has been estimated that a five per cent sales tax at the retail level, on all items except food and medicine, would bring the government perhaps 5½ billion dollars a year.

More than 30 states now have

Diplomats Required To Pay To Fish, Too

BLED, Yugoslavia (AP) — It's the diplomats — and not the fish — who are on the hook now in this summer resort center for foreign envoys in Yugoslavia.

Bled's lakes are teeming with trout. In years past, the authorities looked the other way when the diplomats in residence here went fishing without a license. This year, however, they must shell out 500 dinars (\$1.66) per day for fishing privileges. And there's a covey of wardens to enforce the law.

sales taxes, 27 of them at the retail level, and over 160 cities have. Judging from the resentment so far expressed by members of Congress against a national sales tax, the administration would have tough going getting it through.

BOSTON (AP) — The Massachusetts Department of Agriculture says there are about 180 feet of silt on an ear of corn—or about 300 miles per acre of corn.

It seems a bit silly to lay all the corn silks now growing in New England end to end, but if you do the department says, they'd make a cord nearly eight million miles long. Wait a minute, there's more.

That cord would be long enough to encircle the earth at the equator more than 250 times.

SEES PLACE FOR PUBLIC, PRIVATE POWER IN U. S.

PHILADELPHIA (AP) — Interior Secretary McKay said Tuesday he believes "there is a place in this country for both public and private power" programs.

McKay, speaking at the annual meeting of the Pennsylvania Electrical Assn., said that the Eisenhower administration has discarded what he termed the "old philosophy" of the federal government "intruding into the fibre of local government."

His statements were made in explaining the government's action in withdrawing opposition to private development of the Hells Canyon Dam site in Idaho.

"The most striking example of local participation in resource development is currently before the Federal Power Commission," McKay said, "in the hearings on the application of the Idaho Power Co. for construction of three dams (including one at Hells Canyon) on the Snake River."

Had Two Proposals
The interior chief said that the "previous administration had intervened in the case before the commission, protesting its right to issue a license. Instead a plan developed by the Bureau of Recla-

mation (for a federal project at Hells Canyon) had been offered." Twice, McKay said, Congress failed to approve the federal project proposal. As a result, he said, when the new administration took over "we had a choice in Hells Canyon. We could continue the course of political expediency or we could permit the authorized agency to handle the case. We chose the latter." He added: "I believe that with determination and fair administration of existing laws, there is a place in this country for both public and private power."
